Federal Order No. 47

Issued for Information of Producers  
Who Are Not Members of Cooperative Associations

Vol. IX No. 5

May 1965

APRIL UNIFORM PRICE \$3.76

Dairy Farmers who delivered Grade "A" milk to handlers subject to the Fort Wayne milk order in April 1965, will receive a minimum uniform price of \$3.76 per hundredweight for milk testing 3.5%. A butterfat differential of 6.9 cents for each one tenth of one percent that individual tests vary above or below the 3.5% standard will be used. This minimum price is subject to a 4 cent per hundredweight marketing service deduction and authorized hauling charges. The computation of the minimum blend prices is shown on page 5 and the class price on page 4.

The \$3.76 price for April 1965, is 31 cents less than the March 1965 price, but 13 cents above the April 1964 price.

SEASONAL PRICING PLAN

During the months of April, May and June the Fort Wayne Order provides that a portion of the money paid into the market-wide pool by handlers, be set aside for distribution to producers in the months of September, October, and November. This will result in higher prices to producers during these months of normally low milk production. For April approximately 35 cents per hundredweight was allocated to this fund.

ESTIMATED PERCENTAGES IN EACH CLASS

In accordance with §1047.22(1) the Market Administrator announced the following estimated utilization percentages for April 1965 on May 11, 1965.

	<u>Skim Milk</u>	<u>Butterfat</u>
Class I	76%	68%
Class II	24%	32%

PRODUCER RECEIPTS AND UTILIZATION

Approved producers shipped 22,119,854 pounds of milk to the Fort Wayne market during April 1965, of which 16,801,819 pounds or 76% was utilized in Class I by 14 pool handlers. Production was down 10.4% from March 1965. Class I utilization of producer milk was down 8.9% from March 1965.

MAY CLASS I PRICE \$4.43

The April basic formula price of \$3.23 (Wisconsin-Minnesota Series) was increased by the standard differential of \$1.20 and neither reduced nor increased by a supply-demand adjustment to establish the Fort Wayne Class I price for May. This price of \$4.43 is 1 cent above the April Class I price.

HANDLERS SUBJECT TO THE FORT WAYNE ORDER

A list showing the names and addresses of handlers subject to the Fort Wayne marketing order appears on page 6 of this issue.
